

2017 Palmettos Tat Days Tatting Scholarship Fundraiser. AKTATTER@aol.com

Here are a few sample photos of the baskets I am working on. Nothing is final yet.

I have added tatting to the outside and/or tatting supplies inside. Shuttles and/or needles, instructions and "stuff."

This basket is a starter kit for tatting and crazy quilt embellishments; needle tatting.

This one has two books for crazy quilting and for gift-making projects, starter fabric, thread, instructions, needles and shuttle.

And the last one has gone all wrong. My theme is strawberries. I have a strawberry fabric with strawberry red shuttle, and a bottle of gooey jam, strawberry tea and biscuits. I want to add some tatted berries for decoration and inspiration and a donation of them are coming. But I realize now that my basket is too small. Luckily I bought several baskets just after Easter some of which were 25 Cents!!!!. I have baskets in many colors, so if you prefer to just tat and do not want to decorate, just send some items to fill the baskets. Thanks for your help. Due end of June please.
